Dear Applicant,

Thank you for considering employment opportunities for the summer of 2007 at Camp Thorpe! We are looking for qualified and energetic counselors and staff who are interested in working with children and adults with special needs. Staff in the past have found the experience to be both professionally enriching and a lot of fun.

The philosophy from which we function is a simple one, "The purpose of Camp Thorpe is to help individuals leave a camping experience with good health, enhanced self-respect and respect for others, new leisure skills and an expanded respect for nature." Currently, camping experiences are provided to children and adults with a variety of physical and mental challenges. Camp Thorpe's tradition, created amongst the natural elements of the Vermont Green Mountains, provides these experiences to campers regardless of handicap or financial means. The original philosophy created support structure that would enable the Camp to offer camperships for partial or full tuition for families needing financial assistance.

We are fortunate to have a fine physical facility which includes a craft house, a lodge, an infirmary, a large dining hall with a multipurpose room, cabins for campers and staff, a pool, pond, playground and tennis court. Trails through the surrounding woods lead to cabins that are often used for picnic activities.

Counselor in-service will involve Camp procedures, CPR and First Aide, conflict resolution and general program development using the experiences and strengths of the staff.

An Employment Application is included above. If you continue to be interested in pursuing a position, please fill it out and return it to me. I ask that you also provide me with the names and phone numbers of three people who are familiar with your work and are willing to serve as a reference for you.

If you have questions prior to filling out the application, do not hesitate to contact me by calling 1-802-247-6611 or email me at cthorpe@sover.net. look forward to hearing from you.

Sincerely,

Lyle P. Jepson
Director
